

Vance,

I just wanted to thank you and your staff for all of your assistance over the past few months. The care and compassion routinely demonstrated by your Nurses and Home Health Aides was greatly appreciated. In addition, the fact that I could always reach out to you, the owner, with any questions or problems was a tremendous help and something a customer at a larger agency could probably not depend upon.

I also want to express a special thanks to the primary Home Health Aid responsible for my Mother's care (Rosa). She was professional, competent and hard working. However, it was her compassion and dedication to my mother that was extraordinary. Rosa became a trusted extension of our family and someone we relied upon to ensure my mother received the best care possible. We will always remember her and appreciate what she did for us.

Sincerely,

Randy V
